About Us

We, Katariya Infotech, has gained immense popularity in the market for offering Zebronics 24 Inch Widescreen Monitor, Prama PT HTD700E HD Dome Camera, Geonix SATA Hard Drive, Cofe CF 4G 903 Plug WiFi Router and a lot more products.

As a trader and supplier, we are well-aware of our responsibilities and work in a completely ethical manner. We believe that any company that wants to survive in the market for a long run must have predefined goals for clarity. This is the reason, why we have set our long as well as short term targets and shared them with our team members, who work hard to achieve them. The prominence that we have gained in such a short time is the result of our customer-driven policies, ethical working approach, reasonable price structure, doorstep delivery, and many other attributes. Positive feedback from our clients motivates us to work with excellence and improvise more and more. We understand that our production partners will be one of our strongest supporting pillars, which is why we have selected them after detailed research work. We are happy to state that our associates have always surpassed their expectations and proven their worth.
